## CARGO VALUE SERENITY

Why should you suffer from damage to your goods during transport?

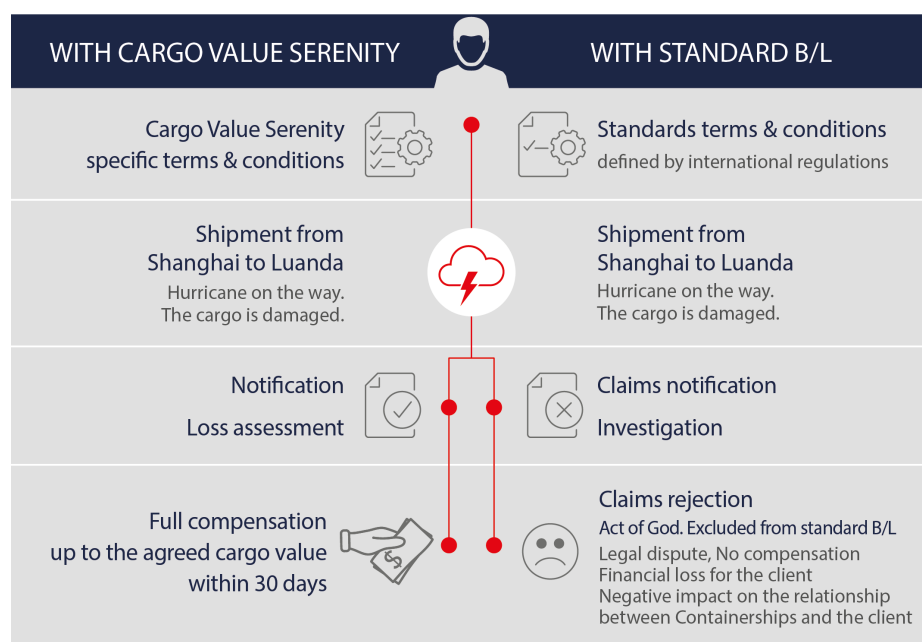

Thanks to Serenity product range, companies who entrust their cargo to us benefit from extended conditions to reach and go beyond their expectations. With this innovation, we are able to bring you a total peace of mind through innovative services, even in the case of unexpected events.

## NO MATTER WHAT HAPPENED, OR WHO IS LIABLE, YOU WILL BE COMPENSATED

By choosing CARGO VALUE SERENITY, we make sure you will not lose time or money in looking after a long legal dispute and lots of administrative processes in case of damage or loss of your goods.

Forget about the administrative formalities, the endless legal dispute with the carrier, the unpleasant discussion with your bank, the negative commercial impacts.

- A comprehensive offer : Your cargo value is guaranteed from door to door
- No intermediary / No third party : You have one single point of contact : Containerships
- No more endless legal dispute : no matter who is responsible, you will be compensated up to the full secured value
- Worldwide assistance : You will benefit from the full support of people who know best your shipment

*"We are a small company. When we ship one container we ship almost one month of production. If we cannot sell the goods at destination because they are damaged, we absolutely need to get our compensation the soonest possible, in order to keep our company alive! Our cash flow is not strong enough to support the usual legal procedures!"*

IDRISS  
Commercial Manager for a Lavender Producer

*"As an international company, we ship goods to lot of destinations including unsafe ones. Some ports and roads are not safe enough and we used to face many robberies. Now we have decided to protect our cargo value. A small price to have a complete peace of mind!"*

MATHIS  
Risk Manager for a Furniture Multinational
